# They Lost 216 Pounds

...Without Dieting  
...Without Exercise

**Discover the European weight-loss breakthrough that's sweeping America!**  
**Patent Pending Formula • Over 3,000,000 sold!**

When European scientists reported that a revolutionary new formula produced dramatic weight loss, we asked for proof. Lo and behold, we could hardly believe our eyes. Testimonial after testimonial described incredible results. Even users who had failed every diet imaginable lost weight like crazy. Some of these ecstatic, newly-slender patients lost over 100 pounds while many others lost 30 to 50 pounds in an unheard of short time.

This NO-DIET, NO-EXERCISE way to slim down offers new hope to all who have tried in vain to lose weight and keep it off. However, before bringing this amazing formula to America and making promises to you, we subjected it to rigorous clinical tests to prove beyond a doubt that the product really works.

We hired research scientists, medical doctors and leading government statisticians to conduct elaborate clinical trials at three separate weight loss facilities. The results of that study have just been published in the prestigious *International Journal of Obesity*. We are glad to report that those results confirmed our optimism.

The formula, named RL245, did indeed produce dramatic weight loss WITHOUT DIETING and WITHOUT EXERCISE! In fact, RL245 increased weight loss up to 5 TIMES!!!

According to the researchers, RL245 works because it normalizes an overweight person's metabolic response to food. Plus, the longer you take RL245 the more weight you lose. What this means to you is now you can have the same metabolic advantage enjoyed by those natural "skinnies" we all love to hate. And like those "skinnies", you, too, burn away calories effortlessly, quickly and without the need for diet or exercise. Your excess weight disappears before your very eyes!

Imagine! Never counting another single calorie ever again. Imagine! Never experiencing another gnawing moment of hunger. Imagine! Never ever having to diet again.

To lose weight, all you have to do is take the pills. You make no lifestyles changes nor suffer any painful sacrifices whatsoever. Nothing is easier...nothing is simpler! Now YOU can finally conquer the self-defeating, unhealthy Yo-Yo cycle of temporary weight loss. You can finally achieve the slim, trim body you've always wanted...the body you deserve!

The best news: Limited quantities of RL245 have just been certified for release by our FDA licensed laboratory. For those who act quickly, introductory savings are also available while supplies last. As an added incentive, shipping is free when you order a 90-day supply or more.

And if that is not enough reason to experience these incredible results for yourself, you'll be glad to know that RL245 is backed by a lifetime guarantee.

That's right...not some run-of-the-mill thirty, sixty or ninety day guarantee, you get a lifetime promise of success. If you do not lose all the weight you want and keep it off the rest of your life, 100% of your purchase price will be promptly refunded...no questions asked. You may ask, how can we make such a pledge? The answer is simple...RL245 works!

The final step is up to you. Operators are standing by twenty-four hours a day, seven days a week, and the call is FREE.

# New Anti-Fat Breakthrough Breaks Genetic Barrier to Losing Weight!

Risk-free introductory offer shrinks even the most stubborn pockets of excess fat and automatically trims inches from your body by the hour ..... Guaranteed!

With the release of a revolutionary new anti-fat formula called Questral AC, the genetic barrier to losing weight appears to have been overcome. The result of years of exhaustive research by leading endocrinologic biochemists, this marvel of modern technology brings new meaning to the term *rapid weight loss*. By stopping your body's fat producing ability, users report you can safely and automatically LOSE up to 6 lbs. in 48 HOURS; SLIM DOWN as much as 18 lbs. in a SINGLE WEEK; plus TRIM over 8 INCHES from your waistline and SHRINK an incredible 5 SIZES SMALLER in as little as 14 DAYS and still eat your favorite foods and between meal snacks.

According to the latest obesity research, many overweight individuals are born with a gene that impairs their ability to assimilate and synthesize fat cells. All the dieting in the world may not help these unfortunate individuals lose weight. In other words, even if you did not succeed at every dieting attempt in the past, it's *not your fault!* You did not fail. Diets failed you! NOW you can change all that! A new clinical study reported in the *International Journal of Obesity*, convincingly proves that with Questral AC, even the most hopelessly overweight can now overcome their genetic predisposition to obesity and LOSE WEIGHT WITHOUT DIETING WITHOUT EXERCISE!

Weight Loss has never been easier: A Medical discussion. Questral AC is the only MHJ board certified and approved formula for weight loss. It is research proven to defeat the fat gene and attack fat in four unique and effective ways:

**One:** Questral AC blocks your body's ability to absorb fat by inhibiting an enzyme called G6PD.

**Two:** By improving an overweight person's sensitivity to the body's own naturally produced thyroid hormone, fat metabolism is *dramatically* increased.

**Three:** Powerful fat emulsifiers automatically dissolve pockets of excess fat allowing you to effortlessly flush them from your body.

**Four:** Questral AC's patented complex sharply reduces sugar cravings and helps build lean muscle tissue which means you *slim down, firm up* and will once and for all maintain your new sleek physique.

**CAUTION:** You can lose too much weight too quickly. Individual results vary and extremely rapid weight loss may not be advantageous. Consult a physician before beginning any weight loss program and reduce dosage to maintain your desired weight.

What this means to you is that you automatically and almost effortlessly SHED UNWANTED POUNDS BY THE HOUR, INCHES BY THE DAY, 24 hours per day - even while you sleep - *without* the need for tortuous, ineffective diets, backbreaking exercise or painstaking calorie counting as you SLIM DOWN and FIRM UP starting the *very first day!*

The Questral AC two caplet per day formula is **powerful!** It produced amazing, atypical results in chronically overweight individuals by specifically asking them NOT TO DIET, NOT TO SKIP MEALS, NOT TO COUNT CALORIES and NOT TO EXERCISE. Since you eat all the foods you love (including between meal snacks and sinfully delicious desserts) and still lose weight, you may never experience another single gnawing moment of agonizing hunger - *ever again!*

Leading authorities and former hopelessly overweight users report on the specifics of this amazing sequential, four dimensional attack on fat.

IN A SINGLE WEEK**, and **TRIM DOWN WAISTLINES AS MUCH AS 5 SIZES SMALLER IN JUST 21 DAYS** • **WITHOUT GNAWING HUNGER** • **WITHOUT TEDIOUS, BACK-BREAKING EXERCISE.**

**AVAILABLE ONLY DURING THIS TRIAL STUDY**  
After extensive research, medical science's latest breakthrough in the war against fat is available for the first time **DURING THE TRIAL STUDY ONLY**. Called **Questral AC Fat Killer Plus**, this may very well be your answer to conquering your lifelong battle against obesity. As one ecstatic user reported it's as if **"FAT VANISHES BEFORE YOUR VERY EYES."**

Questral AC Fat Killer Plus contains no ephedra or other dangerous diet drugs that may cause unwanted side effects. In fact, the only side effect reported by first time users is remarkable weight loss without dieting and without exercise. Your participation in the study will confirm that **Questral AC Fat Killer Plus** is the most significant weight loss breakthrough in decades.

### RESEARCHER REVEALS AMAZING NEW DISCOVERY

Scientists theorize that **Questral AC Fat Killer Plus** effectively blocks the neurological andrenergic pathways by which your body's hormones stimulate hunger cravings. As a result, enhanced peripheral conversion of T4 to T3 produces a sympathomimetic hormone interaction in your body's fatty tissues.

What this research means to you is willpower no longer plays a role when trying to reach your goal of a new, slim, trim figure. You automatically and almost effortlessly trim unwanted pounds of excess fat and flab from your Hips, Thighs, Stomach, Waist and Buttocks without being hungry.

**LOSE up to 10 INCHES OFF YOUR WAISTLINE**  
**LOSE up to 8 INCHES OFF YOUR HIPS**  
**LOSE up to 6 INCHES OFF YOUR THIGHS**  
**LOSE up to 9 INCHES OFF YOUR STOMACH**

The basic difference between this incredible new therapeutic approach and all other methods of fat reduction is quite simple, in a nutshell, **NOW** instead of trying to starve away fat through rigid, iron willpower diets... or battling excess flab an ounce at a time with back-breaking exercise... your participation in the study will help show that with this twice-a-day oral tablet:

- You safely raise your fat burning metabolism.
- Your body automatically converts existing fat into lean, trim muscle toned flesh.
- And most important – unwanted inches and unsightly bulges start to gradually shrink and disappear from the 5 areas of your body where most fat accumulates: **STOMACH, WAIST, HIPS, THIGHS AND BUTTOCKS.**

Yes, thanks to this major medical breakthrough, **NOW** you may actually **SHRINK DOWN A FULL SIZE SMALLER IN JUST 24 HOURS** – as much as **4 SIZES SMALLER IN JUST 2 WEEKS** – as this new wonder tablet burns bulging fat and turns loose flab into "tight-as-a-glove" flesh throughout every figure slimming part of your body.

Imagine! Without dieting! Without exercise! Without willpower! Twice-a-day fat-destroyer tablets that help make you trimmer and leaner as they re-shape and re-contour your body into the young-again figure of your dreams.

**FREE DIET PILLS TO THOSE WHO ENROLL NOW**  
You receive free skinny pills when you enroll in the study. Plus, when the study is published, if your results are singled-out to illustrate how successfully the program works, we will pay you up to \$100 for every pound and \$100 for every inch that you lose.
