RE: **USA AND INDIA COMPANIES ANNOUNCE JOINT VENTURE - Ancient Herbs of India brought to the NI line.**

Nutraceuticals International LLC. (NI), international ingredient supplier known for Exclusive Nutraceuticals and Specialty Ingredients (US Headquarters: Elmwood Park, NJ USA) and Amruta Herbals Pvt. Ltd. (AHPL), a major manufacturer of the highest quality Ayurvedic Herbal Extracts (GMP Certified / ISO 9000-2001 Certified Facility in INDORE) have announced the formation of a joint venture to develop, market and sell indigenous Indian products to manufacturers worldwide. The agreement includes an extensive sales and marketing campaign to co-promote Amruta's "Ancient Ways to Cure Today" to the forefront of the international marketplace. The Agreement promotes a variety of "new" Ancient Ayurvedic Herbal Extracts for finished goods manufacturers and consumers. Zoltan Klivinyi, the principle of NI (Based in BUDAPEST) states, "Premium quality, consistency in supply, impeccable quality standards... Amruta provides us with the quality control we seek for our clients from the beginning to the end of the extraction process." Dr. Ajay Padmawar comments "Nutraceuticals International is a premier global company with presence in key markets such as the USA and Europe. We are excited for them to collaborate with us in new product development and sales of our extracts into these and other developing markets in Japan and other parts of Asia."

NI has secured the rights to exclusive supply of Amruta's variety of high

Thank you for visiting our site.
