**COMPLAINT COUNSEL'S OBJECTIONS TO RESPONDENT'S
FINAL PROPOSED EXHIBIT LIST AND WITNESS
LIST AND NOTICE OF REVISED FINAL PROPOSED
EXHIBIT LIST WITH EXPERT EXHIBITS**

Complaint Counsel submits that it reserves the right to object under Rule 3.43(b) to any exhibit identified in Respondent's Final Proposed Exhibit List if Respondent fails to lay sufficient foundation to establish that the exhibit is relevant, material, or bears satisfactory indicia of reliability so that its use is fair. In addition, Complaint Counsel objects to the extent Respondent intends to introduce Professor Alexander Volokh's expert report without calling him to testify in person. Complaint Counsel reserves the right to object to any or all exhibits that were not included in Respondent's Final Proposed Exhibit List and any witnesses that were not properly identified by name in Respondent's Final Proposed Witness List. If Respondent seeks to add additional exhibits or witnesses, either by an agreement of the parties or by order of the Court, Complaint Counsel reserves the right to object to such exhibits or witnesses. Complaint Counsel reserves the right to withdraw or waive its objections to the admissibility of Respondent's witnesses and exhibits as circumstances warrant.

Finally, Complaint Counsel hereby attaches its Revised Final Proposed Exhibit List With Expert Exhibits.
