The notification email must be in the following form, from an authorized Cycra Inc. email address, and contain a Cycra Inc. signature line with the sender's full contact information:

Subject: Settlement of FTC false advertising case

Dear <Name of customer>:

Our records show that you bought a motorcycle, motocross, or ATV product from Cycra Inc. labeled and advertised as "Made in the USA." We're writing to tell you that the Federal Trade Commission, the nation's consumer protection agency, has sued us for making false claims.

To settle the FTC's lawsuit, we're contacting you to tell you that the product you bought was not all or virtually all Made in the USA. In fact, that product was imported from Taiwan.

If you have questions about this lawsuit, visit [\[get URL\]](#). For more information about Made in USA advertising, visit <https://www.ftc.gov/musa>.

Sincerely,

[signature]
[Cycra Inc.]
